

# Proposal to the U.S. Russia Foundation for a Grant to Support

## *(Title of Proposed Project)*

### Project Narrative

**\*Directions:** Please submit this completed form, along with (1) Budget Narrative and (2) Proposed Budget, to [grants@usrf.us](mailto:grants@usrf.us) to finalize your submission.

**Summary:** (Please provide a summary of the proposed project in 100 words or less.)

**Project Area(s):** (Please identify which of the 5 areas of USRF funding priority the proposed project fits.)

**Project Duration:** (Anticipated start and end dates of the proposed project.)

**Principal Investigator:** (Please name the individual who is responsible for leading the project and for managing the foundation grant in accordance with the grant agreement.)

**Requesting Organization:** (Please list the organization submitting this grant proposal.)

-----

**Project Narrative:** (In 5000 words or less, please describe the proposed project, specify its objectives and desired outcomes, delineate its activities and how they are designed to meet the objectives, and identify the target participants and stakeholders.)

**Mission Relevance:** (In 1000 words or less, please explain how the proposed project matches and advances the USRF mission to support the Russian private sector and improve U.S.-Russian understanding, expertise, and linkages. Explicitly address how the proposed project meets one or more of the USRF funding priority areas.)

**Project Products:** (If the project is expected to yield concrete products, such as publications, training or teaching materials, a website or other technology interface, or measureable capabilities, please enumerate them and explain how the products are related to achieving the project objectives.)

**Project Evaluation:** (Please provide at least five measures to evaluate whether the project is meeting its objectives, including risk assessment.)

**Project Context and Sources of Support:** (Please explain whether the proposed project is (1) a one-time activity to advance an existing project; (2) a new initiative within an ongoing project intended to operate over an extended period of time; or (3) the launch of an entirely new area of activity intended to continue over multiple years. In all three cases, please comprehensively describe all sources of support, whether financial or in-kind, that you have secured for the proposed project or intend to secure. In the case of #2 and #3, please provide a concept for multi-source sustainability over the intended life of the project.)
